# 2019 CARE BY NUMBERS

In 2019 we proudly served **37,370** patients.

Premier Health Centers are staffed with **more than 215 highly skilled, compassionate professionals** who are ready, willing and able to meet our patients' needs.

As a federally qualified health center, Premier Community HealthCare works to improve the lives of Pasco & Hernando County residents by **providing quality, affordable and accessible health care services.**

Premier added **3 new programs** in 2019 to augment patient care and increase wellness outcomes (*Mobile Dental, KidShape and Substance Use Disorder/ Treatment Program*)

**Of the patients served in 2019:**  
 45% were uninsured  
 26% were children  
 8% were homeless

In great effort to reach the community **9,706** patients were provided with health education during **177** local health events.
