

“Last year we helped over 25,000 patients”

Joseph Resnick, MHA, FACHE
Chief Executive Officer

Premier Community HealthCare works to improve the lives of Pasco and Hernando County residents by providing quality, affordable and accessible health care services.

Active in our community, Premier offers programs and services that include health & wellness events, outreach at local venues, help with the health insurance marketplace and more!

Premier Health Centers are staffed with more than 180 highly skilled, compassionate professionals who are ready, willing and able to meet our patients' needs.

Premier's Call Center Team answers more than 200,000 calls a year connecting patients to care by scheduling appointments and handling an array of inquiries.

Of the patients served at Premier:

- 43% were without health insurance
- 41% were covered by Medicaid
- 29% were children or youth 17 years of age and under
- 9% were covered by Private Insurance
- 38% were women 18 years of age and over

As the only Federally Qualified Health Center (FQHC) serving Pasco and Hernando Counties, Premier operates its facilities with 180 full & part-time employees. The majority of the Premier workforce resides in the community in which the health centers are located. With an annual budget of \$17.1 million only 36% of Premier's funding comes from federal support.
