ABOUT THE FLORIDA ASSOCIATION OF COMMUNITY HEALTH CENTERS

The Florida Association of Community Health Centers is the leading state advocate for Florida's Community Health Centers. For over 50 years, Florida's Community Health Centers have been shaping the future of healthcare for the state's residents by providing community-focused, team-based, comprehensive primary care to those who need it the most – regardless of their ability to pay. More than 1.7 million patients, many of whom are uninsured, rely on Community Health Centers for access to healthcare services they can't receive anywhere else.
